Tractor Ted Activity Book 2

By popular demand a second children's Activity Book. A bright, colourful softback book with 32 pages of clear, contemporary photographs of farm machinery and animals to count, match up, sort out and even recipes to cook from. Plus colouring, opposites and odd one outs.

This isn't an activity book to scribble in and throw away. It has sturdy pages and interesting photographs that children love to look at again and again. The activities themselves can also be repeated so that children really gain confidence in counting, letter recognition and observational skills
