Description

Joules Huddleglove Knitted Gloves Burgundy

These gorgeous gloves from Joules are extra long so they can be worn with three quarter sleeved coats or ponchos, though they'll keep your arms even warmer in full length sleeves of course. They're ribbed to make them fit neater around the wrist, keeping out any draughts. The tapered fingers make them more comfortable on the hands. Designed to pair with matching Joules bobble hat and this season's luxurious scarf range.

We are authorised **Joules** stockists. Check out the rest of the ladies Joules accessories we have to offer by clicking [here](#).
