## Description

### Bosch Rotak 43 LI Ergoflex Cordless Lawn Mower

The **Bosch Rotak 43 LI Ergoflex** gives you the freedom to reach the far corners of the garden without extension cords, thanks to its long running lithium-ion battery. The **Bosch Rotak 43** has outstanding cutting performance and debris collection, due to hardened steel blade and innovative airflow technology.

It has an extended running time lithium-ion battery offering the user freedom to mow in places without mains power. Thanks to its extended grass combs and rubber-coated wheels, cutting up to the edges of planting beds and fences is simple. This cordless lawnmower is ideal for large gardens with obstacles such as trees.
