Our Price: £210

Description

Rolly New Holland TD 5050 Pedal Tractor with Front Loader

Just like the real thing, this New Holland tractor has a front loader with manual levers to raise and lower the arm plus scoop or tip the bucket.

Suitable for children from approximately 3-8 years, the seat features a smart looking integral backrest for added comfort and can be adjusted to suit.

Built for all weathers and whatever your child can throw at it, the front steering is equally as sturdy as the integral fixed wheel chain drive and heavy duty 12mm thick rear axle.

The pedals are anti-slip to cope with the most enthusiastic of feet whilst the eccentric chain tensioning system is a great source of exercise for little legs.

Overall dimensions: 149 x 51 x 60cm.

Some assembly required.

Accessories can be added via the rear hitch pin.
