

Sealey Submersible Stainless 250L Auto Water Pump

22-40639

Our Price: £160

Description

Sealey Submersible Stainless 250L Auto Water Pump

Manufactured from corrosive resistant materials with a stainless steel body and motor case plus automatic cut-out safety feature, this Sealey Submersible Waterpump has been designed for CLEAN water use although will accept small particles up to 5mm.

With a maximum output of 250lts(54gal)/min, the easy to use SEALEY WPS250A is ideally suited to the effective drainage of cellars, sinks, cisterns, baths and general transfer of water such as garden irrigation systems. A convenient and practical piece of equipment for the professional, smallholder and/or domestic household.

Click & Collect in store where our trained staff will be able to advise on an appropriate discharge pipe.
