Description

Draper Venom First Fix 350mm Double Ground Tool Box Saw

Fitted with a 350mm first fix saw blade, manufactured from high quality 1mm carbon steel, that's been correctly hardened, tempered, straightened and stress relieved to ensure the blades strength and straightness while the double ground set of the saw tooth delivers a faster saw cutting performance with optimal sawdust removal in both forward & reverse motions.

The finely ground handsaw blade is coated with an ultra-tough lacquer protecting the saws blade from corrosion, whilst easing friction when sawing. The blade is ultrasonically welded to a bespoke ergonomic soft grip handle with a ridge free finger support achieving precise cutting and user comfort, even when used for prolonged periods. Perfectly designed to fit into an average size toolbox.

A comprehensive range of first and second fix handsaws are available in the Draper Venom range and all are totally suited for use by tradesmen and the DIY Home enthusiast.
