Our Price: £69

Description

Draper Fence Wire Tensioning Tool

Expert quality for tensioning / straining wire (including barbed & stock fencing) up to 4mm diameter prior to stapling onto wooden fencing posts.

Manufactured from carbon steel hardened and tempered with 600mm long handle for excellent leverage and a pivoting 'Durbar' steel locating foot to grip any post type whilst straining wire.

Part of the Draper Expert range suitable for all professionals and small holders alike and an essential piece of kit for your fencing toolbox.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
