Faithfull Metal Grinding Disk 115 x 6.5 x 22mm

39-13528

Our Price: £2.99

Description

Faithfull Depressed Centre Metal Grinding Disk 115 x 6.5 x 22mm

High quality abrasive discs to remove applications on ferrous and non-ferrous metal, with a wide variety of machines from small mini-grinders to large stationary cutting-off machines.

By presenting the disc to the work piece at an angle of 45 degrees the most efficient results are achieved.

Note: Particular attention should be paid to the relevant safety regulations when using abrasive discs.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
