Pagan Kiln Dried Hardwood Logs

47-03155

Description

Pagan Kiln Dried Hardwood Logs

A large bag of locally sourced Hardwood Logs which have been kiln dried to assure a low moisture content for an impressive clean burning capability. Convenient for households with a Wood Burner or Open Fire wanting to deal with smaller quantities rather than a tipped load.

A superb cost effective fuel for which will provide a comfortable long even burn right through to the late hours.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
