

Private: Stihl HTA85 Telescopic Cordless Pole Saw

Our Price: £495

Private: Stihl HTA85 Telescopic Cordless Pole Saw

Description

Stihl HTA85 Telescopic Cordless Pole Saw

The Stihl HTA85 Telescopic Cordless Pruner/Hedge Trimmer has been designed with professionals in mind thanks to the powerful brushless EC motor which keeps the noise levels low - perfect for noise sensitive areas. Featuring a 1/4" PM3 chain which offers an efficient, fast and accurate cut with a high degree of comfort. The tool-less telescopic shaft extends from 270cm - 390cm meaning the need for platforms is abolished and allows for quick and easy set up and storage. Weighing in at only 4.8kg (excluding battery) this pole pruner can be used for longer periods of time due to the low vibration levels meaning user fatigue is decreased greatly.

Stihl AP300 – 36V Lithium-Ion battery and Stihl AL300 quick charger sold separately.
