Description

Le Chameau Men's Vierzonord Boots Vert Chameau

Iconic & best selling Field and Country tall boot, the Vierzonord is handcrafted from natural rubber using an aluminium last for a comfortable leg fit.

Lined with fast drying 3mm Neoprene, this boot assures superior warmth in cold weather and an adjustable waterproof gusset & snap-fastening buckle delivers a snug fit around the calf and leg.

The dual-density grip sole absorbs shock and features a shank reinforcement board for better stability & arch support whilst the abrasion-resistant outsole offers stable traction on uneven, muddy and soft terrain.

The combination of natural rubber and neoprene allows the boot to easily flex and reduce fatigue as it mirrors foot movement, making this style the ultimate choice for medium to high energy activities such as Game Shooting, Gun Dog Training & Country Walking.
