Our Price: £2099

Description

A compact, high-performance all-wheel-drive Rider with power steering that easily manages large, tight and hilly areas. The unique XChange attachment frame allows you to change attachment quickly and without the use of tools. Thanks to Bluetooth connectivity, you easily monitor your Rider with the Husqvarna Connect app.

Equipped with dual LED lights, Turn Key Start, adjustable steering wheel and a convenient luggage rack, R419TsX AWD is an excellent choice for private estate owners, sports facilities and hotels with large areas to maintain year-round.

XChange - Unique quick coupling allows attachments to be changed quickly and easily without the need for any tools. Get ready for a new task in just a minute.

HMI Display - The intuitive display communicates with the driver through visual symbols and warning sounds, assists in handling and gives real time data and warnings.

Service position - Service position on the cutting deck facilitates cleaning and service.

Easy-access controls - All controls, including the cutting height adjustment, are ergonomically located and easy to reach from the operator's seat.

We are an authorised **Husqvarna** dealer and can provide full service back up and maintenance for your Husqvarna equipment.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
