Description

The next generation of Kombi engines now feature the updated 4-MIX engine. With all the key features as its predecessor (KM 100 R) the KM 111 R offers maximum versatility, powering twelve different attachments for property and garden maintenance.

Compact and easy to transport, this tool is perfect for landscapers, professional gardeners and maintenance teams. It is quick and simple to change between attachments and the loop handle offers excellent control and balance when using all the attachments.

Featuring the updated 4-MIX® engine with simplified starting, improved handling and larger fuel tank for improved run time.

We are an authorised **Stihl** dealer and can provide full service back up and maintenance for your Stihl equipment.
