Hayter Harrier 41 – 376B Autodrive – Variable Speed – Electric Start

HY-MWHA376

Our Price: £999

Description

The Harrier is one of our most popular models, having featured in the Hayter range for over 30 years. The latest generation Harrier 41 builds on the successes of its predecessors and embraces modern design and technology to deliver a high quality, high performance lawnmower. Achieving the classic stripes in any garden, the compact design and ease of manoeuvring make the Harrier 41 ideal for small to medium gardens. With a choice of models available, each hosting an array of easy to use and time-saving features that help you achieve the lawn that others aspire to.

- **Classic stripes** are achieved with a two piece, ribbed rear roller, providing superior traction and manoeuvrability with no turf marking when turning
- Incorporation of a **Trim Side** allows you to cut right to the edge – ideal for around borders, raised flower beds and retaining walls
- **Lifetime Warranty against engine crank- shaft bending** should you accidentally hit a solid object†
- **Easy-Wash**, a convenient and easy way to clean the cutting chamber, ensuring optimum performance
- **Aluminium cutter deck** for increased durability, rigidity and corrosion resistance compared to steel deck alternatives
- High performance **cut and collection system**, designed using aerospace technology to ensure class-leading performance in a multitude of environments and seasons
- **Vari-Pitch™ cutting technology** automatically adjusts the cutter deck to increase air flow when set to cut longer grass (patent pending)
- **Briggs & Stratton engines** provide guaranteed power and performance. Ease of starting is assured with Readystart® automatic choke
- InStart® Lithium-Ion battery technology provides the latest and easiest way to start your engine, offering repeated and reliable engine starting at just the turn of a key (CODE376A only)
- **Autodrive models** have a variable speed control, adjustable between 2.2 – 3.4mph to suit the operator and mowing conditions
- Seven height-of-cut settings between 13-60mm, controlled by a single counter-balanced lever for quick adjustment
- Easy to use grass bag can be lifted through the handle bars for easy emptying, or removed completely for use as a rear-discharge mower
- Folding handle-bars reduce the storage space needed
- **Lifetime Cutter Deck Warranty**

We are an authorised **Hayter** dealer and can provide full service support and maintenance for your Hayter product.
