Where you can buy with confidence

Our Price: £2560

Description

Step up to the heavy-duty cleanup power of the MV lawn and litter vacuum. Designed for both hard surfaces and turf, the MV is ideal for larger properties, commercial lots, leaf cleanup, rental, parks, city streets, school districts or municipal festival cleanup. This machine can pick up anything from cans and bottles to grass clippings, litter and other debris.

FEATURES

- Rugged low weight
- Composite housing & hood
- Top load bag slides out on rails
- Operator adjustable intake door
- Optional 5" x 10' hose kit; optional disposable bag liners
- Hard surface push or 3-speed self-propelled with optional electric start

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
