Description

Bedec Aqua Advanced Primer Undercoat White 1L

From the innovators in water based technology comes a high performance primer undercoat especially formulated using a 100% Acrylic resin with a proven performance record for durability, adhesion and water resistance.

Designed for both interior and exterior use, the paint is quick drying with great colour retention even when exposed to direct sunlight.

Apply with a brush, roller, airless spray or HVLP spray, the product is touch dry in approximately 30 minutes and recoatable after 4 hours.

Approx coverage 13-15m² per litre.
