Description

Hunter Women's Dark Olive-Clay Gardener Clogs

A slip-on shoe handcrafted from waterproof rubber, specifically designed for gardening at home or down the allotment.

Practical and lightweight, the clog has a flexible natural rubber form alongside Hunter's signature tread providing much needed grip on uneven and muddy going.

Lined in neoprene, it protects from the elements as well as supporting the foot and is sure to have you reaching for no other.

Perfect to keep beside the back door so why not step into Spring in style.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
