Hunter Men's Dark Olive-Clay Gardener Wellington Boots

A men's rubber Wellington boot developed with specialised gardening features ideal for use at home or down the allotment

The dig pad at the centre of the sole and a thickened ankle patch provide extra protection when using spades and forks whilst a zigzag construction sole creates high grip and mud-release when the terrain underneath gets a bit heavy going.

Perfect to keep beside the back door so why not step into Spring in style.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
