Our Price: £34

3M 4251 Maintenance Free Reusable Half Face Mask

21-19037

Description

3M 4251 Maintenance Free Reusable Half Face Mask

Specifically designed with filters for effective and comfortable protection against organic vapour and particulate hazards such as paint and varnish fumes in concentrations of up to 10 x Workplace Exposure.

Ready to use half mask does not impair the field of vision and features a centrally located parabolic exhalation valve reducing the build-up of heat and moisture.

Lightweight and well balanced with adjustable head cradle and easy to fasten neck straps.

Can be worn alongside protective eye wear.

Standard: EN405:2001 FFA1P2 R D compliant.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
