STV Natural Action Mole Repellent Scatter Granules 450g

38-05181

Our Price: £7.5

Description

STV Natural Action Mole Repellent Scatter Granules 450g

Wave Bye-bye to Mr Mole with these biodegradable granules coated with castor-oil which act as a Natural Active mole repellent.

Successfully manages up to 45 square meters of lawn and garden areas with no need to exclude children or pets from treated areas.

Suitable for year round use; Spring, Summer or Autumn.

Mole deterrent granules contain plant oils which penetrate into tunnels and surrounding earth, tainting the moles food source and encouraging them to find new feeding locations.

Apply to garden areas where mole hills are a problem, repeat application when new mole hills and diggings become prevalent.
