Our Price: £29.99

25L Plastic Water Container with Airflow Tap

31-02133

Description

25L Plastic Water Container with Airflow Tap

High density clear polyethylene rigid container with integrated handle for easy transportation of fresh water where mains restrictions may apply.

Rectangular shape with large screw cap for easy filling and an airflow tap to assist decanting and prevent gurgling & spillages.

Ideal for a wide variety of Home & Garden uses along with leisure activities such as Camping, Farming & Equestrian.

Overall dimensions: H48cm x W25cm x D23cm.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
