Description

Schoffel Oakham Fleece Gilet Navy

The iconic Oakham fleece is the must have gilet this season, practical for layering on those colder days or as a stand alone piece to elevate a casual look whether heading to town or country.

Crafted in Pontetorto premium fleece, bringing performance and functionality to synthetic fleece fabrics, it provides warmth without restricting breathability whilst feeling drastically lighter than its rivals.

Detailing a sumptuously rich Schoffel tone plus complimentary Alcantara trim, a super stylish look assured to have you reaching for no other.

Machine washable & quick drying.

When buying the Oakham gilet please bear in mind the cut of this garment is generous; for example if your chest measures 42" we suggest you buy a size 40?.
