

Private: Chillington Wheelbarrow SW/350 Solid Wheel Replacement

22-90152

Our Price: £34

Description

Chillington Wheelbarrow SW/350 Solid Wheel Replacement

Exclusively to fit Haemmerlin's Chillington range, the SW-350 is a solid wheel replacement with a large tyre profile that gives a good balance.

The main advantage of a solid wheel is that it will never puncture, so it's maintenance free and comes fitted with a grey metal disc rim for added strength and safety.

Like this Chillington SW/350 Solid Wheel? Why not browse our complete **Haemmerlin** collection to keep you and your wheelbarrow on the move.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
