## Description

## Le Chameau Ladies Vierzonord Boots Vert Vierzon

Iconic & best selling Field and Country tall boot, the Vierzonord is handcrafted from natural rubber using a women's aluminium last for a comfortable fit and elegant shape.

Lined with fast drying 3mm Neoprene, this boot assures superior warmth in cold weather and an adjustable waterproof gusset & snap-fastening buckle delivers a snug fit around the calf and leg.

Dual-density grip sole absorbs shock and features a shank reinforcement board for better stability and arch support whilst the abrasion-resistant outsole offers stable traction on uneven, slippery, muddy and soft terrain.

The combination of natural rubber and neoprene allows the boot to easily flex and reduce fatigue as it mirrors foot movement, making this style the ultimate choice for medium to high energy activities such as Game Shooting, Gun Dog Training & Country Walking.
