Le Chameau Men's Country Vibram Jersey Lined Boots

The Country Vibram is a highly innovative country boot which features the exclusive Vibram sole for outstanding comfort and grip.

Tall & Sleek in style, this boot has been handcrafted from natural rubber with a durable poly cotton blend lining for comfortable wear, even during warmer months.

Especially designed for country walking, the combination of rubber and jersey allows the boot to flex and follow the foot exactly, mirroring even the smallest foot movements.

The outsole provides lightweight cushioning and shock absorption with shank reinforcement for better arch support and reduced fatigue when walking.

Finished with an attractive stitched leather effect edging at the top, the Vibram is a year round light & snug country boot which also happens to be exceptionally good value for money.

Colour: Vert Vierzon
