Description

Harkila Pro GTX Gaiters Willow Green

Designed in a tough durable canvas with DWR outer shell repelling surface water & dirt, these Pro GTX Gaiters offer excellent protection for your legs when moving in heavy and wet shrub.

Lightweight & flexible, they are easy to slip on and off via the side zip & velcro openings and once in place, secure for a comfort fit using the elasticated drawcord at the top hem and adjustable rubber straps to the bottom.

Centre hooks for positioning onto laces will help prevent any uncomfortable twisting whilst walking.

Perfect for all active outdoor activities where you need full freedom of movement but still demand top quality defence from the elements.

Available in One Size only.
