Description

Hoggs of Fife Kincraig Waterproof Winter Hunting Cap

A waterproof, windproof & breathable flat cap in the same durable fabric as the Kincraig jacket and trouser set.

The wonderfully soft, quilted pile lining in the cap and the luxury fleece lining on the earflaps will keep you snug and warm on cold windy days. Earflaps can be folded back when the wind drops and the elasticated back gives the perfect fit to keep it on in a gale. Perfect for a challenging day in the field but equally passable when not.

Currently available in one size only and team with matching items from the Kincraig range for complete head to toe protection.
