Description

Provence 3kw Portable Gas Stove Heater Cream

Portable Heaters have always been a sensible idea to economise on fuel costs or heat areas with no supply and this classically designed cast iron stove certainly oozes style & ambience.

In a range of great contemporary colours with a warming coal effect, the Provence Heater will blend into any country or modern room and ideal for those chilly evenings in your living area, kitchen or conservatory.

With a real flame effect and a maximum heat output of 3kW, the heater is easy to operate with a simple electronic ignition for instant hassle free heat and delivers a roasting 106 hours burn time on just one neatly concealed 15kg butane gas cylinder.

Safety features include a flame failure device & oxygen depletion system whilst the added benefit of portable wheels truly mean you can have the warmth of flickering flames whenever & wherever you need.

Assured to impress family and friends, a perfect focal point in any home; even when it is not on.

Dimensions: H80cm, W46cm, D56cm.
