## Description

### Schoffel Snipe Shooting Coat

As shooting coats go, the all new Schoffel Snipe Coat offers more than most. Constructed from Venturi® 2-layer laminate, a high performance laminated fabric which neither wet or wind can penetrate, this jacket is 100% weatherproof whilst still being highly breathable. Not only does this shooting coat offer a superb level of waterproof protection, the inner layer of Primaloft insulation offers optimum warmth whilst the two-way stretch permits a complete range of movement, ideal for a wide range of outdoor pursuits.

Designed with practical solutions including reinforced bellow pockets with retainer straps and drainage holes, fleece lined hand warmer pockets for idle hands between drives and two internal zipped pockets offering a safe storage for valuables. Complete with detachable hood and a recoil protection pad which can be used on either shoulder, the Snipe really has all your requirements covered.

Schoffel embroidered branding assuring the quality of what your standing in, Ptarmigan house check lining & soft Alcantara trim wrap up the perfect choice in country wear for this season and those beyond.

Like this Schoffel Snipe Shooting Coat? For ultimate head to toe protection, coordinate your look with complimenting items in the **Schoffel** range.
