Description

Connix LED Magnetic Wireless Vehicle Lighting Set

Wireless, magnetic and cable free... that's what makes Connix different and this ingenious set of vehicle lights has been designed with the farming community in mind.

No need to plug in, it connects to the driver controls without those annoying wires that always seem in the way and transmits to a maximum distance of 20m.

Powers up using a 12/24V rechargeable battery with a full charge in 4 hours giving up to 10 hours of super bright LED light.

Magnetic too - Swaps easily between vehicles and machinery in a matter of seconds with no need to carry tools to attach.

Multi-functional uses such as rear lighting & illuminating your number plate (10 hours), brake lights & indicators (3 hours).

Set contains: 1 x S.143235 x 1 LH Rear Light, 1 x S.143236 RH Rear Light & 1 x S.143237 Transmitter
