Our Price: £49.99

Description

Skee-Tex Ultralight Tuff Boot

These all NEW Tuffs Boots are designed mainly for work and leisure such as fishing, angling, agriculture, farming etc providing full insulation from the surface down and protection against wet conditions.

Designed in a close cell EVA composition, these boots are unbelievably lightweight and comfortable to wear whilst offering ultimate resistance to contact surfaces including seawater, oil, acid & alkali.

Fully flexible with shockproof & cushioning capability across rough & slippery terrain, an optimal choice for Anglers albeit on the Lake, River or Shoreline.

All boots have a thermal, removable lining in the form of a sock to allow easy removal for washing and for additional warmth in low temperatures, pair with **Skee-Tex North Pole Thermal Socks**.

Skee-Tex Footwear is marked in European Sizes. Please see supplier size guide for reference.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
