Liveryman Bruno Red Professional Horse Clipper

EF-134544

Our Price: £169.96

Description

Liveryman Bruno Red Professional Horse Clipper

The Bruno is the lightest Liveryman clipper weighing in at a mere 400g and can be used as both a clipper or a trimmer. It is easy to use regardless of ability and ideal for light duty use.

The relatively small size of this clipper makes it ideal for people who struggle with the weight of a traditional clipper as well as ideal for clipping sensitive or nervous animals.

It is light and easy to manoeuvre and especially great for those awkward and hard to reach places.

The Easy Change Blade System allows you to switch from a wide clipping blade to a narrow trimming blade quickly and easily and best of all, they require no tensioning.

With a wide variety of blades available you can alter both the cutting height and width to suit the job at hand.

Variable speed allows you to adjust the speed of the blades and by slowing the speed you can further reduce the noise level and vibration of the clipper.

Great for nervous horses, horses being clipped for the first time or for clipping more sensitive areas, such as heads and legs.

Fitted with a narrow 1.6 (#10) blades but compatible with the full range of Liveryman A5 snap on blades.

Supplied with a 4.9m mains cable plus split cable to connect up to the Liveryman Lithium-ion Battery Pack giving 2 hours of cable free clipping.

Model supplied in a durable storage bag and complete with oil, brush and full operating instructions.

12 month manufacturers warranty.
