Description

Zedlock S25G3 Gate Lock

Securing properties since 2011, the Zedlock long throw gate locks are ideal for securing a wide range of metal & wooden gates for your garden, driveway, field or property and offer an enhanced deterrent over traditional padlock & chain.

The S25G3 is purposely designed for metal gates with a 25 x 50mm (1" x 2") frame at the slam end and features a three-lever deadlock mechanism, galvanised steel lock case and sliding bolt.

Straightforward to fit, can be bolted or welded to the gate frame and fitted to Springbolt, Sliding Bolt or D-loop type gates.

Supplied with two keys along with handle extension, hole cutter and allen keys. Additional keys can be cut at your local key cutting centre.

Compatible with Bateman Cattleyard; Century; Ashcombe & Half Mesh gates, IAE Asbourne Plus, National Box End, Big Bar Plus, Five Rail Half Mesh & Eight Rail Premier.

Also suitable for Ritchie gates though minor modifications may be required to the spring bolt hole.

Can be key-aliked meaning one key can fit multiple locks. Key-alike Zedlocks in any mix (from the three-lever range) should be ordered via customer services.
