Description

Gorilla 50cm 2-in-1 Stable & Yard Broom

Built with unique features such as an integrated scraper blade and anti-clog channel, this super strong broom is designed to make light work of your stable & yard tasks.

The brooms extra-wide head means you can shift more with minimal effort and performs equally as well in a wet environment thanks to the non-porous polymer head & bristles.

Whether it's concrete, rubber matting, stone or tarmac, the advanced bristle technology ensures maximum pick-up on every sweep and its ant-clogging nature means there's no loss in performance.

Combining a 1470mm screw in aluminium shaft, it's surprisingly lightweight and moreover hard-wearing, hygienic, rust & rot proof.

For any equestrian who is passionate and maybe a little possessive over their yard broom, this one is a pleasure to handle and sure to have you wondering how you ever managed without it!

Available in Pink or Purple to brighten up your yard, and for those who like a colour theme for their steeds, why not check out our vibrant range of Equestrian Barrows & Yard Accessories.
