Our Price: £51.99

Description

Husqvarna Classic Forest Chainsaw Helmet

Part of the classic range offering effective & affordable protection for light forestry & gardening work.

Featuring a traditional six-point plastic harness and one-hand adjustable slip ratchet, the harness depth is also adjustable in three steps for individual comfort fit.

Paired with high quality hearing protectors for optimal ergonomics plus mesh visor providing good protection and visibility.

Approved for low temperature working and finished with standard orange accents for maximum visibility in low light.

We are able to offer zero rate VAT on safety helmets & boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
