Description

Amblers Alice Womens Safety Dealer Boot

Perfect for the yard with your horses or out on site, these Alice dealer boots will keep your feet out of harms way in a stylish and dependable way.

The genuine Goodyear Welt construction ensures they are as tough and durable as they come but it's the rugged profile and stitching all round that really stands them out from the crowd.

Easy to pull on & off, they are embedded with safety features providing first rate protection including ergonomically shaped steel toe caps, underfoot protection and slip resistant outsoles.

Finished in a Crazy Horse Leather upper with breathable mesh lining & energy absorbing heel, they are a practical choice for a variety of environments delivering assured comfort and support.

Currently available in UK sizes 3-8.

Please be aware we have found the sizing of these boots to be a little roomy and as such you may prefer to drop down a shoe size.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code 'novat' when you check out.
