## Description

### Amblers Sarah Womens Safety Dealer Boot

Versatile for a host of work places, these Sarah dealer boots will keep your feet out of harms way in a stylish and dependable way.

The genuine Goodyear Welt construction ensures they are as tough and durable as they come but it's the cool steel grey tone, rugged profile and stitching all round that really stands them out from the crowd.

Elasticated with woven loops for easy on & off, they are packed full of safety features providing first rate protection including ergonomically shaped steel toe caps, underfoot protection and slip resistant outsoles.

Finished in a soft Nubuck leather upper with breathable mesh lining & energy absorbing heel, they are a practical choice for everyday comfort whilst carrying a more urban appeal.

Currently available in UK sizes 3-8.

Please be aware we have found the sizing of these boots to be a little roomy and as such you may prefer to drop down a shoe size.

***We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code 'novat' when you check out.***
