Description

Seeland Buckthorn Gaiters Shaded Olive

Featuring a breathable, waterproof and windproof SEETEX® membrane, whether beating through dense or wet vegetation, these tough gaiters will prevent water and dirt ingress.

Straight forward to slip on and off using the size zip with full placket protection and stud fastenings, they feature an adjustable rubber underfoot strap and rubber band on the bottom hem for a custom, snug fit.

Centre hooks allow for secure positioning onto laces and help prevent uncomfortable twisting whilst walking.

Perfect for all active outdoor activities where you need full freedom of movement and first rate defence from the elements.

Available in One Size only.
