Muck Boot Men's Chore Max S5 Steel Toe Cap Tall Boot

Rugged and dependable, this state of the art work boot is built for tough conditions and boasts a new, slip resistant outsole with extended rubber overlay.

Waterproof construction keeping feet dry, a 3D breathable mesh lining increases airflow around the foot for all day comfort, with Nzyme™ antimicrobial treatment for odour control.

S5 Certification, additional protection includes an anti-penetration midsole, heat resistant outsole, steel toecap, rubber toe & heel reinforcement, as well as a non-metallic plate to provide metal free performance.

Durable and quick to clean, this boot lends perfectly to Agriculture, Construction and Industry workers.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
