Clulite WL-9 Illumin8 Cob LED Rechargeable Light

Portable with no trailing cables, this free standing work light delivers 1500 lumens of superb brightness with a duration period of between 2-4 hours per charge.

Fitted with COB LED's which are brighter and produce a more efficient surround beam, multi angled magnets on each end make it easy to suspend either horizontally or vertically.

Integrated hanging hooks allow for mounting under a vehicle bonnet and such like as well as multi purpose use in areas with no power supply including workshops, sheds, stables & camping.

High and low operation modes for extended use and supplied complete with mains & vehicle charger.

Overall dimensions:- L85 x W6 x D5.5cm.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
