Description

Karcher K2 Universal Home Pressure Washer

Compact but perfectly formed, the Karcher K2 Universal Home pressure washer makes easy work of cleaning jobs in your outdoor space.

One Way and Dirt blaster lances give you outstanding performance whether you're cleaning delicate paintwork or stubborn dirt on the patio, and the detergent suction tube applies detergent as you clean.

A 3m high-pressure hose gives you plenty of reach, so you can reach all areas of your outdoor space.

On-board storage keeps the trigger gun, hose and lances neatly stored away yet close to hand when you need them.

The K2 Universal Home is small enough to be stored easily in the garage or shed, but still incredibly versatile.

This model includes a Home Kit, which contains a T150 Patio Cleaner and a 500ml bottle of Patio & Deck detergent to help you clean large outdoor areas quickly and easily.

Dimensions: 18.2 x 28 x 39cm.

We are an authorised **Karcher** dealer and can provide full service back up & maintenance of your Karcher purchases through our extensive network of branches.
