Description

Wolf Garten PC370MS Power Cut Pruning Saw

Durable and strong, this 2-in-1 Pruning Saw features a curved Swedish Steel blade which enables effortless and powerful sawing at an optimal angle.

The specially designed pull teeth maximise cutting performance and will leave a smooth cutting surface to prevent bacterial infection.

An integrated safety clip prevents accidental release when working in trees and the soft-touch ergonomically designed handle is shaped for safe and secure working.

This tool has a built in adapter for multi-change handles allowing that extra reach whilst keeping your feet firmly on the ground. Simply choose between a 3 or 4 meter extending handle to maintain your trees with little effort.

Overall Dimensions: 67L x 16W x 15H cm.

N.B. This item is not compatible with the multi-change® ZMAD, ZM02, ZM04, ZMI12 and ZMI15 handles.
