Description

Comma Classic 30 Engine Oil 5L

Whilst specially designed for the needs of Classic & Vintage cars, a traditional, non-detergent motor oil for 4-stroke petrol engines and other applications requiring a “straight” or additive free SAE 30 motor oil.

Classic 30 is ideal for cold weather conditions (autumn, winter) as the lower viscosity means thinner oil and can easily flow in a cold engine.

Stabilises oil pressure at high operating temperatures and may be used in many manually operated gearboxes of that period.

Oil change every 600 miles.

Service Classification: SAE 30 API SA

Always return used oil to proper recycling centres.
