Our Price: £59.99

Description

Zero In Ultra Power High Voltage Flying Insect Zapper

Uses two 10 watt ultra-violet lamps to lure light-sensitive flying insects such as flies, wasps and mosquitoes into a 1,700 volt, electrically charged killing grid.

This proven insect killer delivers safe, effective and ongoing control of flying insects in kitchens, farm buildings, and food-prep areas of up to 110m², without using poison chemicals.

Eliminating insect pests hygienically, can be used wall mounted, free standing, or suspended (chain included).

For safe and best results, please refer to full Operating Instructions before use.

Overall dimensions: 255 x 440 x 90mm.
