

Spear & Jackson Medium Bypass & Anvil Pruning Twin Set

41-99311

Our Price: £32

Description

Spear & Jackson Medium Bypass & Anvil Pruning Twin Set

A premium set containing both Razorsharp Advantage Bypass & Anvil secateurs, suitable for cutting both live green shoots and harder woody stems.

Features include SK5 carbon steel blades for lasting sharpness, integrated sap groove and stem crusher for easier working and shock absorbing grips to help reduce hand fatigue.

Suitable for most light pruning tasks, an ideal choice to keep your shrubs and rose bushes in good order this season.

The Razorsharp Advantage range features the finest precision cutting tools and is the natural choice for gardeners who demand and expect precise, powerful performance.

We have a great range of products to help you create your perfect outdoor space, so why not browse our huge **Garden Collection** today.
