Description

Portek Flexisharp Chainsaw Sharpener

At last a cordless 'Auto Clamp' chainsaw sharpener with all the power you need!

Designed by Portek, this unique rechargeable sharpener is perfect for working away from a power supply thanks to a long lasting rechargeable 18v Li-ion battery.

Keeping your chainsaw sharp, precision cutting angles can be adjusted from -30° to + 30° and for safe sharpening, the ‘Auto Clamp’ feature secures the chain in place as the sharpening wheel is lowered.

Simple press and release battery housing for quick changeover times and integral work light to ensure a perfect cutting edge every time.

Suitable for a wide range of makes and sizes of chain, an absolute essential when it comes to keeping you chainsaw sharp and in peak performance this season.

3.2mm & 4.5mm replacement sharpening wheels available separately.
