

Rolson 800Amp Heavy Duty Jump Lead Set

39-01425

Our Price: £49

Description

Rolson 800Amp Heavy Duty Jump Lead Set

A pair of colour coded 800 amp high quality jump leads measuring 6 metres in length and thus ideal for larger type domestic & commercial vehicles such as 4X4's, Camper Vans, Motor Homes etc

Features include robust, insulated steel clips with large integral springs and 100% low resistance multi stranded copper cable ensuring minimal voltage drop when charging.

A precautionary measure for low battery and cold conditions as well as those unexpected breakdown en route.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
