Description

Stihl 2 in 1 EasyFile Saw Chain Sharpening Tool

The perfect tool to keep your saw chain sharp.

In order to maintain the peak the performance you'd expect from your machine, it's very important to file both the cutting teeth & depth gauges when you sharpen your chainsaw chain

This extremely clever design means you can file both your chain saw cutting teeth & depth gauges in one quick and easy movement.

Great for occasional users and more so professionals that need to perform quick chain maintenance out in the field.

For 1/4" P, 3/8" P, .325", 3/8" and .404" saw chains. Includes both round and flat files which are easily replaceable.

Make sure you choose the right file for your chain. Specification guide attached.

We are an authorised **Stihl** dealer and can provide full service back up and maintenance for your Stihl equipment.
