## Description

### Levington Essentials Top Soil 35L

Essentials Top Soil is a rich, fertile loam-based soil providing a sustainable, rich source of nutrients that supports growth for flowers and fruits.

Ideal for making raised beds where existing soil is poor and/or replacing soil that is tired and unsuitable for re-planting of related plants. Can also be used as a component of soil/loam based type composts.

Perfect for new beds and borders, for both young and more established plants as well as levelling lawns too.
