Description

Clulite WL-8 700 Lumens Mini Portable Work-Floodlight

Portable & Rechargeable, this mini work-floodlight is ideal for the tool box or as back up lighting, illuminating an area of approximately 5 x 10 metres.

Featuring a super bright 10W (700 lumens) LED light which can be focused with ease, the unit also includes a magnetic base to allow hands free working.

Giving a running time of up to 4 hours duration (2 hours on high), the light is convenient for use in areas with no mains power supply or as back up lighting during power cuts.

With the added benefit of a power bank function to charge your phone or tablet whilst on the go, a practical investment for the home, workshop or truck.
